Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Inspections

Many states or counties require annual or biennial emissions and/or safety inspections. Odometer readings are collected at the time of the inspection.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.

Dear Valued Customer,

Within a short time, Porsche will be sending you a New Service Survey. It is very important to us that you answer: "10" or "YES" indicating that you were **COMPLETELY SATISFIED**.

If you cannot answer "10" or "YES" to ALL of the questions, it would mean I have not done my job and that would **NEGATIVELY AFFECT** my personal Report Card and the dealership's rating with Porsche.

If anything was not the way you expected, please allow us to address it **IMMEDIATELY, BEFORE YOU RETURN THE SURVEY TO PORSCHE**, or call me at (631) 424-1307 or (631) 427-2708.

Thank you very much,
