Dear Mr. Hodgson:

I'm sorry for the delay in writing, but I have been waiting to get some information on the 1965 Porsche.

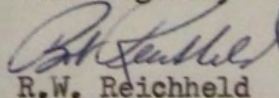

The 1600 Normal has been replaced with a Super 75 model which has all of the latest features. Listed below is a breakdown on the Super 75.

1965 Porsche Model Super 75	\$4310.00
Freight to Rockland	35.00
Bendix Radio	85.00
Side Mirror	5.00
	<u>\$ 4435.00</u>
Allowance 1962 Corvair	<u>1235.00</u>
Cash Difference	3200.00

Mr. Hodgson, black is a special color on the Porsche and there is an extra charge of \$80.00. This is included in the above figure as you said that was the color you preferred. Should you decide on a standard color, the cost would be \$80. less.

Delivery time is 30-45 days. If you have any questions, do not hesitate to call collect or stop in here at the garage. I'll await your reply.

Best regards,

R.W. Reichheld

Dear Mr. Hodgson:

We appreciate your interest in Porsche and believe you will find the enclosed material describing the Porsche models interesting and informative.

By copy of this letter, we are advising Imported Car Sales, Inc., the Porsche dealer nearest you. We are sure you will be pleased and satisfied with the personal attention and more detailed information he can give with greater convenience to you than we can by correspondence.

Your anticipation will also be rewarded when you "take the wheel" for the first time. Only by driving the Porsche can you feel the true fascination it evokes.

In closing, we thank you for your inquiry and look forward to welcoming you to the Porsche family.

Yours truly,

Robert J. Beranger

Dear Porsche Owner

We sincerely wish to thank you for your purchase and are very happy to welcome you to our ever-growing Porsche Family.

We are sure that whatever influenced your decision confirms the fact that you have taken a good choice and we are on the right track in offering a wonderful sports car with qualities and abilities far beyond those of any other automobile.

May you enjoy your car and become inseparable partners for many happy miles of exciting motoring.

Sincerely yours,

Robert J. Beranger

Mr. Ed Drisko

Dear Mr. Drisko:

I enclose a bill from the Imported Car Sales Co. of Augusta, Maine for repairing the broken headlight lens, which you unfortunately backed into while I was parked on the main street of Damariscotta last Saturday, December 26th.

We found that the chrome could be straightened out well enough so that replacement was not really necessary.

I have paid the Imported Car Sales Co with my own check so please reimburse me by a check drawn to my order or have you insurance company do the same.

Thank you very much and I think we should feel lucky that the damage was no worse than it was.

Very truly yours,

Kaspar M. Hodgson
